

Jeffrey A. Bilsky

Senior Industrial Specialist

Jeffrey is an experienced commercial real estate agent knowledgeable in the sale, leasing and management of property. He also provides his clients with the professional services they need for build-to-suit transactions, land acquisitions and economic feasibility studies. His clients range in size from local businesses to multi-national corporations. Each one receives the time and representation they need to successfully meet their objectives.

Jeffrey has made it a practice to work closely in coordinating his client's transactions with local and state economic development officials in order to obtain tax and other types of incentives. He utilizes his extensive knowledge of real estate finance to assist buyers in obtaining mortgages best suited for their requirements.
